I'm so sorry you came down with a cold. A couple of my staff did as well. We blame Allen. I hope you feel better soon.

Germs aside, I'm really glad you were at our retreat.

Is anything likely to happen with the HI case before mid-November? I want to give Jeff some information before we might be tasked with helping to respond.

Regards,
Patti

Patti, I'd love to but we need to look at November, ideally the 2nd week. October is booked for me. Caught a cold after the retreat and not able to travel to this week's NEJAC. So, am listening in by home.

My dad is coming to town so my only days in the office are this Friday and Monday.

Can we do mid November?

Hi Deldi,

Kathy asked me to set up a briefing for Jeff Scott on the Hawaii Title VI case, but also on the latest developments in how OCR and Alexis are approaching cases. Would you be able to join us the week of October 24? Any days that work best, or are bad for you.

Regards,

Patti
