Subject: Warm Springs ... EPA ORDER HUD/BIA/IHS Funded Project - Agency Confirmation Request Letter DRAFT V04 (Contains BIA and others comments)

Travis:

We have incorporated all comments provided to date including BIA's most recent.

It is my opinion that the document is now ready for your top and tailing and presenting to the agencies as FINAL.

However, this may not be strictly true as Adam said he may have more comments tomorrow (Wednesday) and we have not heard back from Tom or David at HUD. I have copied all on this e-mail with the intent that if they do wish to have additional comment they advise us before 14:00 hours today ... Hearing/seeing none you finalize the letter and publish it as final under your signature at 15:00 hours today. If we get additional comments I will incorporate them and send you the next version, V05, by 14:30 hours today for your finalization and publication at 15:00 hours today.

Regards
bb.
