Yes, she was representing the Dept. of Agriculture and Andrew Goff was representing the Agribusiness Development Corp.

Hi Desean,
Thanks so much for the update. Just curious who you spoke with at the AG's office -was it Delanie Tate-Prescott?

Hi Mary and Richard,

Progress has been a bit slow on the Title VI complaint due to the case manager being out of the office. But, yes, there was an introductory call yesterday with the Hawaii Attorney General's Office. ECRCO and myself introduced ourselves and explained the informal resolution process (which they think they're clients will be amenable to). This was the first call with the agencies' counsel so it was more informational than actually substantive.

Also, there's another call with a witness that Earthjustice has provided this upcoming Monday.

I will keep you all informed of any developments.

Hi Mary

There was a call this week that I think Desean fielded. I was on the road (Navajo) and had to miss it. BTW Desean is on point at our office for interactions with HQ, so I'm copying him for his report on where we're at. Thanks for checking in, I think we're still adjusting to Amy being elsewhere.

Hi Richard,

I haven't heard much about the Titile VI complaint lately. Can you catch me up?

Thanks!

Mary
