Hi Jorge,

Thanks for the follow up. We will need to wait until the government shutdown due to a lapse in appropriations has been resolved to meet. Thanks for your patience.

David

David,

I suspect things are the same as in your last voice mail but if some has changed with the effect from the gov't shutdown and we are able to schedule a meeting between Denka Performance Elastomer and Region VI, let me know.

Take care and best wishes,

Jorge
