Subject: RE: Title VI Hawaii Complaint

Hi Amy:

The draft acceptance letters are now being reviewed by our GC office and we have asked them to provide comments no later than this Monday. Once we receive the letters back we will share with you all asap.

Please note that the USDA meeting is still tentatively scheduled. We are hoping that they are able to meet with us by next week. Apologies for the delay.

Subject: Title VI Hawaii Complaint

Lilian and Brittany:

Before we meet with USDA next week, we would like to see EPA's draft acceptance letter. We are in the process of writing a letter to Hawaii Department of Agriculture on the programmatic issues related to this complaint and it is crucial that I understand what is in the acceptance letter so that our letter do not contradict each other.

Thank you.
