Hi Paul:

Yes, I am the case manager who is handling the referenced Title VI complaints. EPA has received the responses from the Hawaii agencies named in the complaint. In the coming weeks, EPA plans to reach out to you and your clients, as well as the Hawaii agencies to discuss our case resolution process, including options for informal resolution, as referenced in EPA's *Case Resolution Manual*. https://www.epa.gov/ocr/case-resolution-manual In the interim, please let us know if you have any additional questions or concerns.

Hi Brittany,

I understand that you're managing the above Title VI complaints, in which my office represents the complainants, on EPA's behalf. If I'm not mistaken, the period for the agencies to respond to the complaint has passed. We're wondering whether EPA plans to try to convene an alternative resolution process among the parties, and if so, when and by what mechanism. Thank you.
