Hi Andrew,

As requested per our 5/22 conference call with you and Delanie, I have attached a sample informal resolution agreement framework. Please note, that you will see placeholder language in some sections due to ECRCO's need to have further conversation with you or other representatives from ADC. As you already heard during our call, we are working with DOA to set up interviews with their staff to obtain a better understanding of their written feedback to our concepts one-pager.

We would like to do the same with ADC in the coming weeks. I plan to send you some overarching questions concerning specific concepts that will better inform a potential Agreement with ADC.

I understand that you requested this document in preparation for tomorrow's board meeting, so please let us know if any feedback or questions come out of the meeting.

Thanks!
