Hi Lindsay and Kris,

Attached above are a tribal consultation letter, 2 fact sheets, and 8 pre-draft NPDES permits for WA federal dams on the Lower Columbia River and Lower Snake Rivers. Because this has not been released to the broader public, we would appreciate if you did not widely distribute these pre-draft permits. These upcoming permits relate to emails which I sent in August 2018 and a presentation on September 19, 2018. If you have any questions, please contact me at 206-553-6328 or by email.
