Justin, David, and Sarah,

Attached are my comments. I would suggest that we bring R10 RA Chris Hladick into the discussion. Especially if we intend for him to be the signatory to the FR Notice. He is a good guy, part of our team, and has his direction directly from the Administrator on how we are to proceed.

Regards,
Lee

Please find my redline/comments attached.

David, as discussed, if you feel comfortable letting WLO/OW implement those suggestions with which you/others agree, I would be happy to then scrub the output of that process. If you prefer a different approach, please let me know.
