Hi Adam, I am just making sure these drafts did not change significantly enough that they need to go back for another review by Wendel re: grants. Thanks.

Hi Joe,

As we discussed, EPA received a letter from Congressman Case (attached) asking us to explain why/how EPA has Title VI jurisdiction over ADC. The response was assigned to ECRCO. Also attached is ECRCO/CRFLO's draft response. Could you please let us know if you have any comments or questions? Thanks for your help!
