Tim,

Attached is a mark-up of the briefing outline that you circulated last week. It is clear and flows well. I expect you'll be interrupted as soon as the audience understands the essence of the Explorer and what information would be presented.

I put in my thoughts in redline edits and comments for your consideration. I am around Monday and Tuesday, then out of the office (but picking up email) until 2/6 if you want to discuss anything.

Have fun with the briefings,

Andrew
