Please see below – R2 asking for a demo of the explorer, march 16, 10 am.
Tim, are you ready to try your hand at a demo? Why should Mike get all the fun…
If not, Mike, are you interested/available?

Hi Dan - is this an internal EPA meeting? Please let me know what time the meeting is and I'll see if we can arrange a discussion, should be possible.
How much time would you like us to use?
Regards, Andy

Hi Andrew,

We in Region 2 are having a meeting of our PFAS Workgroup on March 16th, and I have had a few people mention their interest in the PFAS Data Explorer.

Would you or one of your colleagues like to participate in our meeting and give a demonstration of the tool?

Thanks,
Dan
