At this time, no. We want to accommodate the agency's request, but believe this meeting may be about one week premature vis-à-vis being nearer to finalizing the water treatment system plans.

Thank you. Other than Counsel, does the Coalition plan on sending any of its personnel that attended the first meeting?

EPA and WDNR would like to meet with the Armenia Growers Coalition and Juneau and Wood Counties on Tuesday September 4 at the WDNR offices in Madison. The purpose of the meeting is to discuss the latest draft of the Memorandum of Understanding and related activities.

We have set aside 10:00-2:00 that day. I hope to provide an agenda later this week and WDNR will advise of the meeting location.

For EPA, we currently anticipate that I and Tom Poy will attend. Please let Steve and myself know of the attendees from your organization.

Thank you.
