Subject: MBTA CRMF NPDES permit (MA0003590) - Permittee has sent letter that you received September 2015
Attachments: NPDES Permit MA0003590 GLX exceedance letter to EPA 2015-9-21.pdf

Hi George,

The permittee has e-mailed the September 2015 TSS/O&G exceedance letter that I mentioned to you in person just now. I attached the letter for reference. If there's anything beyond this letter that might be helpful for my review before I talk to you again at the end of August, let me know, and I can do my homework! Otherwise, stay tuned for an Outlook invite.

Thanks,

Undine
