All,

For your consideration:
Blk 3: Priority: High versus life saving?
Blk 5: Delivery Site: "USCG Command Center"?? How about ESF-10 ICP (knowing that the ICP "might" move to a more central location)

Pls TRIPLE-CHECK the date...The White House Press Release indicates 25 Aug as the date of the initial Presidential disaster declaration.

Onward and upward!

V/r,

Mike Sams
