Subject: Materials for Minntac Meeting with MPCA this Thurs
Attachments: Minntac briefing NPDES 6.5.18 .docx; Minntac Permit comments 12-21-2016.pdf

Hi, Cathy. Attached is a briefing paper on Minntac which includes a table with EPA's issues (with regulatory citations), MPCA's positions and EPA's responses. I've also included the December 16 comment letter we sent on the draft permit. If you want to discuss before the meeting with MPCA, please let me know. I'm at ORSANCO today and tomorrow, but back in the office Thurs am. I can also step out of the meeting. I've copied Rett in case he is attending the MPCA meeting. Thanks.
