Subject: Hot Issues for Ex. 7(A) and Minntac

Dean,
With new Governors and I think also new State Environmental Agency heads in 5 of our 6 states including MN and Wisconsin, our upper managers have indicated that they will be asking for hot issues in the coming weeks and Pat would like to include Ex. 7(A) and Minntac. We don't have the format yet but I wanted to give you a heads up as there will likely be a quick turn-around.
