Blake,
I suggest copying and pasting these emails as an attachment and sending Region 6's response in one email. Possibly by Friday this week of what we have so far.

Thanks,
Josephine

Josephine, here's an example of tribal outreach (Cherokee, Muscogee Creek Nation, and Sac and Fox Nation) regarding the Wilcox Oil Company Superfund site. These tribes expressed interest in keeping abreast of activities related to this site.

Good Day Everyone, thank you for meeting April 16, 2018, to discuss the Draft Source Control Proposed Plan of Wilcox. As a follow-up to our discussions, I request that any comments you have be provided by **April 27, 2018**. This will provide time for inclusion and revision of the draft prior to public release.

As mentioned, the expectation is for public release in May 2018, followed by a 30-day

comment period. At the completion of the comment period, these comments will be reviewed and incorporated into a final decision document for the Source Control Action.

Thank you again for your continued interest.

Please forward to the other participants. I do not have all of the participants contact information. thanks
