Hello, Paul. I am following up after our telephone conversation in which you clarified the documents that you are seeking pursuant to the FOIA request referenced in the subject line of this email. I understand from our call that you are withdrawing your request for the first category of documents described as "communications between the Environmental Protection Agency, Region 10 and Teck Metals, Ltd. or its counsel related to: (1) the remedial investigation and feasibility study for the Upper Columbia River Site." Your request is now limited to (2) and (3) in your 12/15/2015 FOIA request. Please confirm that this clarification is correct.

Thank you.

- Elizabeth
