Hi Debbie,

Revision 2 of the Pre-Design Investigation Work Plan and the Sampling and Analysis Plan for DS&G are ready to be transmitted, but they are taking awhile to load to our transfer site due to the large file sizes. In the interim, attached are the RLSO versions of both text documents. I will forward the link for you to download the final documents when available.

Please let me know if you have any questions or any trouble opening the files.

Thanks, Theresa
