Nidal,

Thank you very much for the update.

It has been very busy since the HAs were announced. And it looks like it is only going to get busier.

Take care,

Andy

Nidal,

Thank you for the update.

With the HAs being announced last week I expect many things to be moving forward soon.

Take care,

Andy

Andy/Mark/Chris,
It was nice talking to you. FYI see attached as a good reading. Look at the ratios of different PFCs in blood samples.
