Certificate of Treatment/Recycling

ISSUED TO

Douglas Aircraft Co.

FOR

MANIFEST NUMBER 92301912 DATE RECEIVED 3/9/95

The aqueous waste received on the above manifest will be treated to standards mandated by the FEDERAL CLEAN WATER ACT and to effluent requirements established by the Sanitation Districts of Los Angeles County. Waste treatment and recycling is performed under permits granted to DeMENNO/KERDOON, a California corporation, by the California Department of Health Services, in coordination with the Environmental Protection Agency, in accordance with the provisions of the Resource Conservation and Recovery Act (RCRA) of 1976, together with applicable federal and state regulations including but not limited to waste discharge requirements established by the Sanitation Districts of Los Angeles County.

When the above described waste material is accepted by DeMENNO/KERDOON and treated/recycled and the aqueous phase discharged for further treatment by the Sanitation Districts, the certificate holder's responsibility for the waste material is eliminated under both RCRA and Proposition 65. Upon request, DeMENNO/KERDOON will issue this certificate that all waste material has been handled in accordance with applicable permits and the certificate holder's liability has been terminated.

DeMENNO/KERDOON

Instructions for Completing the Field Response Time Sheet

A Field Response Time Sheet is completed for each day charges are incurred to a project using Field Response Time Sheets. Self-explanatory fields are not included.

Field	Instruction
Date	The date work was performed and circle the applicable day.
Cost Code	Project's cost code work will be charged to. VISION projects require an 8-digit cost code.
Final Service Order	Check if this Field Response will be the final one for the project.
Contractual Minimum Hours Apply	Check if the project's contract requires a minimum hours charge.

Equipment

Item or Unit Number	Item number or unit number assigned to the equipment
Description	Equipment category
UOM	Unit of measure: HR = hourly, DY = day, WK = weekly, MT = monthly, NO = non-operational
Qty	Quantity charged to project

Materials

Note: Materials are charged to the project with an Item Issue/Return form. Only billable material used on the Field Response date should be listed here.

Item Number	Item number assigned to the material
Description	Description of material
UOM	Unit of measure
Qty	Quantity charged to project

Rental/Outside Items

Note: Rental/outside items are charged to the project through vendor invoices. These charges are listed as a convenience to the client.
