Subject: Your Ethics Travel Form Has Been Submitted

Hello Jared, your request has been routed for review. You will receive an electronic mail message when the needed reviews are complete. Until you receive an approval message, YOU DO NOT HAVE APPROVAL TO ACCEPT THIS TRAVEL.

The DEO you selected will receive an e-mail message containing a link to your form. If for some reason you need to change your DEO selection, please return to the form via the link below, click the Edit Document Button, then click the [[Select New DEO or Alternate DEO]] button (at the top of the form) and follow the on screen instructions.

Submitted forms are locked - you cannot make any changes to the Traveler Information part of your form once submitted. If BEFORE your travel begins you find that your travel plans no longer match your submission, please contact the OGC Ethics Official AND your DEO and request to have your submission disapproved. These disapprovals will unlock your form, and allow you to edit and resubmit it for review.

Please do not simply submit a duplicate corrected request -- one or both of the requests will be disapproved.
