Hi Martin,

Attached are the documents for Jane's briefing on the WHO Air Quality Conference (9:45-10:30) and for the US WHO Air Quality Conference Delegation Call that Jane is leading (10:30-11:30). The draft comments on the chairs summery, annotated agenda, and pledges only contain EPA Comments. HHS has said they would send out the consolidated interagency comments this evening. If we get those, we will bring them to the meeting tomorrow morning but wanted to send forward what we have. I will give hard copies to Lakita to put in Jane's book.
