The Charge 's bio is findable in the State website. His name is something like Marc Cassaerses. But also I plan to meet Jane at hotel and taxi her to the mission to give her a little less worry.

I forgot to ask – can you also add the address and contact information for the U.S. mission, and any information for the US mission meeting. Thanks again.

Thanks for the draft WHO remarks. I have a few suggested edits – see below. I have also been asked by the organizers again if I have a ppt, so can you develop a few ppt slides incorporating these remarks.

Jane, attached are your draft final remarks for the panel discussion in the high level session. I am happy to make any changes you may have prior to your departure. We have shared a copy with OAR as well.
