Perfect! We're asking Karen S. about the TMDL/2030 issue now and hope to have it done before our 9:30 meeting.
And when would you like us to roll it out?
Once we finalize your edits and answer the one remaining question, it should be ready to go whenever you'd be available for press calls that come in...
Thanks-

Kelly

Hardly sounds "urgent"!  Are there any milestones that we can use for
the TMDL that have a shorter horizon?
