Bill and I connected with Phil McNeeley. Yeh, they're thrilled. We're talking about a future event with them (this week was too short notice - mmost city folk are on vacation.)

Hi all -

So, just a quick reminder that the second round of the "Greening America's Capitals" announcements will happen tomorrow. These come out of OP's office of Sustainable Communities.

Bob P is sending letters to the mayors congratulating them.

Shawn has an event scheduled for tomorrow with DC Mayor Grey to announce DC's selection. It will be outside of the Anacostia Metro stop.

Karl has an event at the Lincoln, NE town hall with Mayor Chris Beutler.

Jared and Gwen - I'm assuming that you will connect with the mayors of Phoenix, Jackson and Montgomery somehow? Let me know if you are and if anything else is going on.

And do let us knw what the reactions are!

Thanks!

Janet
