Hi Jared,

Here is an email to send back to Caroll. Please let me know if you need any more information.

Hi Caroll,

Thanks for checking in. I also plan to have my staff there. We would like to share some preliminary findings on air quality improvements from packaging reduction and other packaging projects my office is working on. We are interested in hearing about your office's packaging work and discussing policy options related to packaging recovery. See the attached paper as background for our discussion.

Hey there!

Getting ready for September and I wanted to make sure we are prepared when we come to down chat about packaging. I'm going to bring my point person on this issue with me, but I wanted to check to see if there particular info or topics you wanted to delve into.

Let me know . .and I'd love to chat about other solid waste stuff to if you could spare the time. We're moving and shaking things up!

Thanks

Caroll
