Chad,

As requested, attached are three proposals for potential calls for you to make to the U.S. Ambassadors to Ghana, Kenya, and Colombia. We are also preparing a paper for Poland, but need a little more time, with Katherine out sick this week, to get it in shape for you. If you are interested in setting up any of these calls, the Ambassadors representatives asked that you work with us to set up a designated time for a call. Let us know if you would like to discuss any of these in more detail.

Mark
