right about FEMA. If you ever decide you need a veteran press ninja secretaty there are some excellent hiring authorities that we should talk about. Have a great weekend!

Glad the video turned out well. Great that you can help in NYC. You should connect with Judith and her team. Best, Jared

Subject: Hello from NYC

Hey Jared,

Hello from NYC where Hurricane Sandy has left quite a mess. It's sad to see the devestation and all of the people who have been without power. I could go on about NY but that's not why I'm writing. I just wanted to say thanks so much for your kind words in the Vet's Day Video EPA produced earlier this year that was just released. I truly appreciated your leadership and thoroughly enjoyed woking for you so just wanted to drop a line to say that. And, thanks as always for your wonderful support of our Nation's Vets!

Congradulations on the election outcome, four more years of great work ahead!
