Subject: FW: draft agenda for this Thurs mtg

Dale, Roger,

attached pls find a draft agenda for our mtg for this Thurs., including some background material on the project and the BMP.

if you could provide the physical address for where we will meet, i can add it to the agenda.

also per your request is a draft list of in-kind services for the project.

fyi, there will be 3 or 4 people from my office and likely at least 3 or 4 of my contractor's folks, . . . so about 8 or so in total, i think.

supposed to rain - a nor'easter - this Thurs. glad we're meeting at your office. the show must go on . ..

let me know if you have any questions.
