Subject: Phase 3 WIP Steering Committee Meetings

Hello, everyone:

We have scheduled the following dates for future meetings, if you could please get these on your calendars:

October 19, 2017 – 1:00 to 4:00 pm, Auditorium, Rachel Carson State Office Building, Harrisburg

November 30, 2017 – 1:00 to 4:00 pm, Room 105, Rachel Carson State Office Building, Harrisburg

These two meetings will be focused on where the Bay Program Partnership is on the Midpoint Assessment and the further identification of local planning goals and prioritization methodology.

February 15, 2018 – 9:00 am to 12:00 pm, Room 105, Rachel Carson State Office Building, Harrisburg
February 16, 2018 – 9:00 am to 12:00 pm, Room 105, Rachel Carson State Office Building, Harrisburg (Please hold this date as a backup, just in case February 15 has to be cancelled)

These meetings will be to review the progress made by the workgroups over the winter in the defining of a implementable plan to address the draft Planning Targets established by the Bay Program Partnership.

Finally, don't forget our next meeting on **September 27,** from 1:00 to 4:00 pm in Room 105. This meeting will be focused on the progress we have made so far and an overview of what we know about the effectiveness of the BMPs we have available. Per your direction at our August 24 meeting, we are also focusing on the "top 10" high loading watersheds highlighted in the presentation provided by the Susquehanna River Basin Commission and will have further results for you on specifics within these watersheds.

Any questions, concerns or suggestions for additional information you would like to hear about, please do not hesitate to contact me.
