Lilian,

Attached is the most recent version of the Tallassee letter with my comments. I am only sending it to you since I think you're still reviewing; please share with your staff accordingly.

I will be on leave tomorrow through next Thursday. If you have questions, please let Ariadne know.

This draft includes some comments in the section discussing only looking at the permit modification (as opposed to the permit as a whole). If you have questions about those comments, Mary has some insight from past cases she's worked on so you can contact her.

Thank you,
Betsy Biffl
