Hi Kevin, following up on our call today, this is the invitation for us to participate in the Region 4 states event on May 10 in Alabama at the ADEM offices.

I think this is a good opportunity to engage in a positive way w Region 4 states -- provide the training/ update for the states, as we have done by phone w region 3 and region 9, maybe this one would be more robust. But also since we are there, we could take the opportunity to meet w Director LaFleur re our cases and best way to move forward, etc. I think it would be good for me to develop a relationship w him?

If I heard you right, you asked me to think about getting the limited Tallassee letter out now - in light of the litigation, but leaving the broader follow up issues re Tallassee as well as the other two open cases, for discussion w
ADEM and introducing the Informal Agreement maybe on May 10? Did I get that right? Thanks so much! Lilian

( PS. I have reserved 10 mins with you on Thursday)
