MEMO OF CONVERSATION

PROJECT: Incorrect Drum Count on Manifest AR-550522 PROJECT NO.:

DATE: 06-11-92 TIME: [redacted] morning

CONVERSATION WITH: Adelle OF Rineco

OF

OF

BY: ☒ PHONE ☐ VISIT ☐ OTHER

SUBJECT:

Adelle of Rineco called me Thursday morning.

- Item a was actually 18 drum instead of 17 as indicated on manifest.
- Item b was actually 2 drums instead of 3 as indicated on manifest.

I told Adelle it was ok to change manifest. She will not do a discrepancy since she made the correction per our conversation.

I corrected the "blue" generators copy

16. GENERATOR'S CERTIFICATION: I hereby declare that the contents of this consignment are fully and accurately described above by proper shipping name and are classified, packed, marked, and labeled, and are in all respects in proper condition for transport by highway according to applicable international and national government regulations and Arkansas state regulations.
If I am a large quantity generator, I certify that I have a program in place to reduce the volumn and toxicity of waste generated to the degree I have determined to be economically practicable and that I have selected the practicable method of treatment, storage, or disposal currently available to me which minimizes the present and future threat to human health and the environment; OR, if I am a small quantity generator, I have made a good faith effort to minimize my waste generation and select the best waste management method that is available to me and that I can afford.
