Subject: McGirt discussion - Thursday

Tina, Randy, and Tod –

The OW, OAR, and OLEM tribal liaisons have gotten questions from their colleagues about the McGirt case and what the decision may mean for their programs. In addition to discussing the legal findings of the case on Thursday's TPM call, I hope we can start a discussion on what questions folks are getting and how we can respond to some of these questions. No need for answers on the call, but good to have the initial conversation on Thursday.

I wanted to provide that heads up in advance of the call, me know if you have any questions.
