I have attached an updated "Essentials" version that includes the justification comments. I will print out three copies for the meeting.

The above attached documents in order include:

-The "Clean" version which includes both essential and non-essential commitments.
-The "Essentials" document which only includes items that we believe are necessary to include in the agreement.
-The last document shows the clean version with the highlighted "essential" commitments. (Basically another option if you do not believe the stripped version will be clear to Kevin).

Thanks Brittany, I will take a look. Unless you hear back from me before 11 tomorrow, the ECRCO team should be prepared to present this to Kevin during our reg review tomorrow (present meaning just introduce it and hand it over – not walk him through it, unless he has questions.) Thanks Team!

Please see the updated resolution agreement which should reflect changes made from this morning's meeting. I will work with Jeryl early tomorrow morning to send out the non-negotiable document.

Hi all - great effort on this team product. Thanks for thinking out of the box on this! I have some suggested edits as well as some comments and a couple of questions.

I'm including here both ECRCO as well as CRFLO Team. Can we make time tomorrow to go over this version, and all agree to edits so that we can possibly share this w Kevin cob Thursday or latest Friday? Thanks again!!
