**Subject:** Tallassee Interview

Hi,

Jeryl and I, along with Betsy Biffl from GC, have interviewed the four complainant/witnesses for the Tallassee investigation that Marianne put forward as scheduled for today. Marianne claimed to be unclear that it would be an "interview" and expressed some hesitation/confusion about that, insofar as that she claimed to be anticipating a "discussion"/"scoping session" to help inform our investigation and to inform us about remedies I want to stress that we did indeed continue as we internally planned with the interview (nothing about "scoping" or "remedies" ever actually came up after we dove into the interview portion). She also wanted to potentially have us re-interview either these people or additional people. Regarding her confusion, I wanted to flag that we referred her to email exchanges, specifically from December 14 and around then, in which she seemed to anticipate an "interview" scenario for four individuals.

Best Regards,
