Hello,

We don't have a final date for the settlement conference in the CARE litigation, but it looks like it will be the week of March 21. If the case is not resolved at that time, we will have to file our motions soon thereafter. Getting the underlying matters resolved remains our best defense.

As I mentioned at today's meeting, DOJ put together a timetable to help us stay on track toward resolution and has asked that we complete it. And if we've missed any steps, please add them. Mary and I have filled in what we know, and the dates for completion of each matter were taken from the timeline previously drafted by OCR.

Mary and I have a weekly meeting with Andrew on Monday afternoons, so if you could get this back to us with deadlines filled in by Monday at 2 pm, that would be much appreciated.

Please let us know if you have any questions. And thank you!

Betsy and Mary
