This time looked open to provide James a brief overview of Round 4 SO2 designations and Governor letters that will be going out to our Region 6 states. Attaching the 120 Day Letter template (provided by HQs) that Region 6 will use for our states. Attaching draft letters to states. James, once these are cleaned up by Office of External Affairs – they will come to us for concurrence. FYI - we are asked not to change the HQ approved template language provided. We will need signatures by August 12th.
