Subject: RE: Time for a check in?

Thursday 8/27 at 1pm (central) looks open for the EPA team.

I agree that it would be good to check in and share as our states are making progress towards completing their submittals.

Thank you for forwarding along your comments on Texas. We received the presentation from Texas earlier today and we have started to review it.

Have a great weekend.

Subject: Time for a check in?

Hello Michael,
I just forwarded a note that I sent to Texas your way and it reminded me that it has been a few months since we made time for a check in with R6 on Regional Haze. Things are starting to get crazy busy with RH and life in general but I think it is important for us to keep up clear and consistent communication. Calendars suggest that our team is pretty on Wednesday 8/19 and on Thursday 8/27 if you have a window of time on either of those days that would work I will be happy to schedule a call. Thanks for considering, I hope you are well!
Best,
Melanie
