Ashley,

Sorry about the prior incomplete email (technical difficulties).

How about 3:00 pm tomorrow (Thursday) afternoon?

.....

Subject: RE: Air Quality Analysis Reconnect

Brian,

Unfortunately, I am not available today at 4 PM. I do have some limited availability tomorrow (before 10 AM or between 3 and 4 PM). Friday is a lot more open for me – pretty much any time before 2 PM.

Melanie may sit in on the call, as well, but it looks like those times work for her schedule. I know she is trying to coordinate with others regarding possible times for next week. She will follow-up once she has an idea of any potential conflicts/preferred times for a meeting next week.

Otherwise, let me know what time either tomorrow or Friday that might work best for you all to discuss the modeling.

Thanks,

Ashley

Subject: Air Quality Analysis Reconnect

Ashley and Melanie,

We wanted to identify a time to reconnect to followup on our air quality analysis discussion. Any chance you would be free for a call at 4:00 today? If not, let us know times that look good for you later this week.

Melanie, Denise and I could potentially meet with you next week (maybe Tues, Wed?) once you're back in the office to discuss general permit review, Q&A, and status update. If that might work for you, let us know.

Regards,
Brian
