Stephanie,

I looked quickly in ECHO. There are 15 facilities in Gardner, but I couldn't tell if any of them were for MSGP coverage. Can you look at them and see if you can figure it out.

Neil may be able to help you with that. Neil, is there a way of quickly seeing if any of the facilities in Gardner are MSGP facilities?

Thanks,

Hi Dave,
Actually one more question. Still trying to sort this out:

This was the Gardner DPW director's actual response to Stephanie about whether they accept industrial waste:

> Stephanie,
> We have industrial, commercial, residential, and municipal all tied into our sewer system as

any City would.
We do not receive septage from outside the City.

Thank you,

Dane E. Arnold, Director

Department of Public Works
