Subject: FW: Another article re: Velella Epsilon project

In an effort to keep everyone informed, the link below is another article about the Kampachi Farms permit.

https://thefern.org/ag_insider/fish-farming-in-the-open-ocean-epas-new-project-sparks-fight/

It's important to note, however, that we still have not received any comments about the permit beyond one email from MA in support of the project.
