Subject: Kampachi Application Contact Page (Part 1)

Tori,

Per our discussion this afternoon, please see attached the Part 1 NPDES application containing applicant contact information for the proposed Kampachi Farms, Inc. aquaculture project in federal waters in the Gulf of Mexico off the coast of Sarasota, Florida. This part of the application contains the applicants name, phone number and mailing address. Please don't hesitate to contact me directly if I can be of additional assistance in this matter and please respond to let me know that you have received the attachment. Thank you and have a great day.
