Hudson, Nancy & Tina,

I apologize for missing this scheduling conflict but we will need to postpone the upcoming conference call. Gary, myself, and most, if not all of the EMD program managers need to attend the Hawaii Environmental Forum where we will meet with military and civilian staff of the various branches of the Department of Defense.

I understand that Nancy will not be coming out to Honolulu next week. Perhaps we should skip the conference call and I could simply call Nancy directly? Would Friday (September 16, 2011) morning at around 7:30 a.m. (10:30 a.m. PST) be okay Nancy? Just let me know what will work best.

Stuart
