Thanks for the reply, Stuart. Earliest we would issue is tomorrow, but more likely it will be early next week (Mon or Tues). When I have a clearer sense of actual release timing, I will alert you.

Hope all is going well with you!

Subject: Draft press release regarding Lahaina research

Hi Stuart,

Attached is a revised draft of a press release regarding the tracer study and coastal seep sampling at Lahaina. I will need to get a final read/approval from Alexis and probably Jared (he reviews all press materials), but I first wanted to be sure DOH is okay with the text.

Please let me know if you have any comments or concerns about the press release.

Thanks,
David
