Ken, Here is the response to the CAFO with the multiple issues.

(The other CAFOs with smaller issues have responded adequately and made the necessary corrections.)

John –

On January 13, 2016, you sent a letter to John Weststeyn Cattle and Falloncrest Farms **Ex. 6 Personal Privacy (PP)** 91708), relating to a September 28, 2015 inspection you conducted of their dairy. Attached is a letter the dairy drafted in response. These dairies have asked that I assist them with any followup in this matter, so if you have any questions or concerns, I'd be happy to chat further anytime. My contact information is below.

I am also cc'ing Ed Kashak on this email.

Thanks,
