Are you interested in becoming a community liaison for BNSF Railway?

We are looking for someone who can contract with BNSF to provide the Baca-Prewitt Chapter a consistent and local contact during upcoming work at the Haystack Mine Site.

Duties and responsibilities include:

- Participate in Baca-Prewitt Chapter meetings on BNSF's behalf
- Communicate any concerns or issues raised by residents or the Chapter to BNSF
- Conduct community outreach prior to field work
- Be present and/or available during field work

Minimum Qualifications and Skills:

- Must reside within or near Baca-Prewitt Chapter
- Have daily access to email and phone
- Must have a vehicle (mileage to be reimbursed) and be able to travel within the Navajo Nation
- Fluent in English and Navajo
- Must have a high level of organizational skills
- Must be responsible to fulfill position requirements with limited day to day supervision
- Desired (not required) to have general working understanding of field construction
- Desired (not required) to have past liaison experience

If interested, please contact one of the following individuals by August 30, 2019:
