Subject: RE: Relocation and Residential Lease Packets

Vivian,

I was able to connect with Mike M today regarding the purchase of the mobile homes. Based on when schedules align, can you please tentatively mark Friday, March 27th as the day to meet and purchase the mobile homes? Arcadis is going to confirm one more time the documents required and then I will let you know what the Ex. 6 Personal Privacy (PP) need to have present with them for the purchase.

Also, I will be reaching out to Iina Ba to see when they would be able to perform the percolation test (for septic system design) and when they could go with the Ex. 6 Personal Privacy (PP) to submit the utility applications. I will let you know when I hear back from them.

Thank you,
Ali
